

Public Speaking & Debates Classes

At Loyola Elementary

1st – 6th grade students (Every Monday and Thursday)

Sept 22 – April 30th

Being able to speak effectively and confidently has immeasurable benefits. A student who can organize their thoughts on paper, speak clearly and confidently, listen to the other side and research and weigh pros, cons and evidence will likely participate more in class discussions and see across the board improvement in their schoolwork. In a fun and friendly setting, the goal of this program is to build each participant's confidence and ability to communicate to a group. Students learn how to manage public speaking anxiety, present themselves with confidence and connect with their audience through effective, clear speech. Debate courses helps build reasoning, finding and weighing pros, cons and evidence and ultimately critical thinking. Our well defined Public Speaking and Debate Programs can help all students from extremely shy to those who enjoy the limelight.
