1<sup>st</sup> – 5<sup>th</sup> grade students

Wednesdays September 23<sup>rd</sup> – May 4<sup>th</sup>

Learning how to express oneself in groups with skill and confidence has immeasurable benefits in school, family and life. The goal of our programs is to build confidence in students so that they can speak effectively, write clearly and connect with their audience. Our programs enhance students' reasoning, research, writing, active listening and critical thinking skills.

Gurus Educational Services offers basic and advanced public speaking and debate courses and tournaments at many locations in the Bay Area. We have helped thousands of young people become better public speakers, debaters and students.
